## **MISSION SOUTHSIDE “IN KIND” DONATION SOP**

We are extremely grateful for every physical donation that is given to Mission Southside. Our goal is to use these donations to help us accomplish our vision of taking Jesus to people in need by extending help and hope.

The following represents how donations are used:

### **CLOTHING, FURNITURE AND HOUSEWARES**

These donations are primarily given to those we serve at our “Site Teams.” Our Holy Haulers deliver the furniture and our Warehouse Sale (three times per month) provides much needed seasonal clothing and housewares for our community. We do not allow for furniture with fabric to be dropped off at the Mission, but we do offer furniture pick up service through our Holy Haulers (call the office: 913-393-2200).

### **FOOD DONATIONS**

These donations are used primarily for our Friday Food Co-Op Program and other Site Team related activities such as Homework Huddles or Back Yard Bible Clubs, School Back Snack Program, and our kitchen Baking Brigade.

*“Every donation is received with gratitude and is used for God’s glory”*
